MESSAGE FROM MANAGING DIRECTOR

Dear Readers,

Thank you for your time and interest in our Executive Protection Services where professionalism and dedication is a commitment.

The major highlight of this document is our Executive Protection Services Program which was launched in 2004 through Guards Mark platform bringing ultimate security solution for VIPs, their motorcade and fleet security.

A professional EXECUTIVE PROTECTION program is critical within today's business and economic environment. Targeted violence and random criminal acts are more commonplace than ever; there is a need of effective systems to counter these risks. Guards Mark through its dedicated Executive Protection squads protects the VIPs in the most professional manner. Our own fleet of vehicles, highly trained and professional security staff, modernize weapons/equipments and evasive driving qualified drivers are some of the factors that make us the **1st choice**.

Let us make our world and our businesses securer by bringing method to the threats around us.

Many Thanks,

Nadeem Ahmed

I wanted to express thanks of Kraft Foods for the outstanding professional security services for our VIP visitors. You and your people were one hundred percent reliable, smartly turned out, courteous and very flexible. There is no doubt in my mind that you are very much at the top end of the Pakistani security sector. I would have no hesitation in recommending you to colleagues in private security sector in the UK and please do count on me as a genuinely very satisfied client.
